BACKGROUND INFO:

Grew up on a Montana cattle ranch as an only child with his parents and various hired farmhands. Often visited with his grandfather, a Cheyenne tribal leader. Father killed in a car crash in 1993 while under the influence of alcohol. Joined the National Guard at 18 to help pay for college and served for 3 years. During this time he was buried in a mudslide while fighting a flood, leaving him with lingering knee pain and acute claustrophobia. Enrolled in the University of Montana Environmental Science program, earning a degree in Forest Resources. A conservation-minded person and nature buff his whole life, he has protested and petitioned on several environmental issues. Criminal record shows several arrest for trespassing, vandalism and disorderly conduct. He was employed as a park ranger in Glacier National Park before being bought into the Agency. Offered recruitment after discovering a top secret Agency base while on a hike in the deep woods of Wyoming. An expert in tracking and outdoors survival tactics, as well as extensive experience with disaster relief.
