BACKGROUND INFO:

No criminal record on file. Regarded as a Professional Showoff craving ravenous amounts of attention, as his outrageous antics have astonished many. Those close to him say if there is fear, he has yet to meet it. Donovan has also been known to work as a mercenary from time to time taking jobs that often put his own life in jeopardy including bounty hunts for some of the most dangerous criminals known to exist. He has his own moral code in that he never breaks the law but is not afraid to bend the hell out of it.
