BACKGROUND INFO:

Kyle, in his younger years, spent most of his time alone running around in the vast wilderness of the Outback of Australia. Learning how to hunt for food, set traps, and just live in the wild, spending months at a time out in the wilderness. At age 19 Kyle put some of the skills he acquired during his youth to work by serving his country and the U.S. in the U.S. Navy. He continued honing his skills during his tours, and later became a Lieutenant with the Navy Seals. Where he was sent on Special Ops missions. He did his tour of duty with the Seals before being acquired by The Agency.
