**BACKGROUND INFO:**

A cipher wrapped in an enigma smothered in secret sauce. Vic has, until recently, been under contract with another Agency. Rumor states that the Agency terminated the contract after Vic shot both his supervisor and a colleague, one in the calf the other in the thigh, after hearing they had a bet going on what would set him off. The rumor has yet to be confirmed because of what seems to be a successful cover up by Vic's former employer. Vic has not denied nor confirmed the report. Vic has been described as, "His good side is fiction. His bad side is a whole other story."
