KNOWN CONTRIBUTORS: _____

NAME: Denis Looney **NAME:** _____

NAME: _____ **NAME:** _____

PRIMARY ADDRESS: _____

SECONDARY ADDRESS: _____

50 Shannon St

Dublin Ireland

ORGANIZATION BACKGROUND: _____

QualChem is one of Ireland's largest chemical research a distribution companies, with annual turnover in excess of 25 million euros. They have offices in Dublin, plus several storage and research facilities across Ireland, most notably in Dublin, Cork, Galway, and Belfast. Their products range from hard plastics chemicals, to biomedical technology.

Founding member of the European alliance of distributors, whose influence reaches across Europe, and hopes to expand farther in the next few years.
